News Letter Volume 3

Here comes News Letter # 3...to bring you up on the latest from The Fabulous Wailers:

Upcoming Gigs:

Wailers: Thursday, November 20th at The Swiss , Tacoma WA.
It's been awhile since we've played The Swiss so we look forward to seeing everyone there. We are working up a show that will feature quite a few of our classic songs that have sort of been neglected as being performed by the band at our gigs in recent times. So we look forward to getting back to such tunes as "Doing the Sea Side", "Live Wire" "Hang Up"....and a lot more. If anyone has a special request to hear something from the old days of the Spanish Castle, Midland Hall, or the Cresent Ballroom....send us an emaili at info@thefabulouswailers.com and we will try to work it up for the occation.

Kent Morrill & Friends: Kent will be performing at **Robert's 99th Street Club at 99th and Pacific in Tacoma the following week ends:**

AND DON'T MISS THE UPCOMING CONCERT BY OUR FRIENDS, THE SONICS:

Having set the world on its ear with their performances in New York, London, Spain, Norway and other parts of Europe...the Sonic now return to perform to their Northwest fans. There will be some very special guest surprises. So get your tickets now while they last.

Other News:

The Ventures are back from their tour of Japan and ready to complete our new album with them "Two Car Garage". Yes, it's been a long time coming but it will be a killer when it's ready. We will of course let you all know when the official release date will be. Kent and Don Wilson are working on some vocals together that is exciting.

The Wailers new CD "Rooster Rock" is in the mixing stage and will also be coming soon. We are also anxious to get this one out as we had a ball recording some of our favorite classics by some of our heros like Fats Domino, Little Richard, Bobby Bland,Chuck Berry, Sam Cook and others along with some originals. It Rocks.

So, that is the latest from The Boys From Tacoma. We have a lot of other irons in the fire that we are working on....but we won't talk about them until they get closer to happening. We hope all of our friends are doing well and we hope to see you at some of our upcoming events.

Thanks

The Fabulous Wailers
