## **Volume 4: 12/1/08**

Here we go again. Another month's passed us by so here is the latest on The Fabulous Wailers:

### **House of Rock n Roll Gaining New Life:**

It's been a long struggle for Buck and Kent to try to bring their dream of "The House of Rock n Roll" to a reality. Recently they have had their eye on the old mansion "Dave's On Broadway". The old mansion is perfect for the project which will include a performance place, a museum of Northwest rock and roll history, a restaurant, a radio station, a gift store, banquet rooms, etc, etc. Although the project is still in the "dream" state....a number of investors and people of interest have come forth as a result of the great article that the TNT had on the venture a few weeks ago. Tacoma really has the musical history to warrant such a place. And people would flock to it from all over the world....because that is how far music from Tacoma has had an influence with native sons such as The Ventures, The Sonics, The Wailers, Little Bill, and many other notable artist all the way back to Bing Crosby. Like the saying goes..."If you build it....they will come!" So get out any old rock and roll memorabilia that you might have collected....because one of these days there just might be a place to display it right here in Tacoma, Washington...if all things come together....at the House of Rock n Roll.

### **Wailer/Venture CD Just About Complete:**

Kent and Buck and Venture Don Wilson have just put the final finishing touches on their new 50<sup>th</sup> Anniversary CD, "Two Car Garage" and plan to go to press shortly. We had hoped to have it out for holiday sales but that may not be possible. We do plan to have a web site where it can be down loaded and possibly "pre-sale gift certificates" could be purchased and given as holiday gifts if so desired. We will be keeping you all informed as those stages develop. The CD will carry 18 tracts is going to be a killer CD. We are as anxious as anyone to get it out and are doing all we can to make that happen just as soon as possible.
